## Minnesota: Yaruso Bros Italian Restaurant

Established in 1933, Yaruso Bros Italian is one of the oldest family-owned restaurants in St. Paul. Originally named Square Deal Café, it was founded by Francesco Yaruso but was renamed when he retired in 1947. It's now run by his sons David, Fred and Michael Yaruso with help from the extended family. They have 4.5 stars on Facebook and Google where customers have raved about their meatballs, spaghetti, mushroom ravioli and old-school Italian surroundings.
